Policy Section: Board

Policy Subsection: Business Development and Risk Management

Policy Title: Official Languages

Policy Statement

Water Polo Canada (“WPC”) is committed to the promotion and use of the two official languages of Canada in the delivery of its services. Persons (members of WPC or of the general public) wishing to communicate with WPC may feel free to do so in their preferred official language.

Purpose

The WPC Official Languages Policy is founded on the belief and respect for the linguistic rights of members of the WPC. In keeping with that belief, the purpose and application of the Official Languages Policy is consistent with spirit and intent of both the *Canadian Charter of Rights and Freedoms (1982)* and the *Official Languages Act (1988)*.

Application

In both the governance of WPC and the conduct of its business, members of the WPC must have the opportunity to be served in the language of their choice. To that end, the Board of Directors, staff and volunteer committees must have the capability to meet the needs of members in both official languages.

Because it values its employees and respects their linguistic rights, WPC shall encourage employees to work in the official language of their choice.

When programs, communications or contributions are provided to members of WPC of both official language communities, the delivery of services shall be in both official languages, in accordance with the spirit of the *Official Languages Act*.

This policy also applies to WPC partners when they are doing business with WPC. These partners include, but are not limited to, the National Centre(s), sponsors, suppliers, licensees and event organizing committees.

With the exception of the participation in activities and the delivery of services where linguistic capacity requires a capability in both official languages, no WPC member or employee shall have his or her opportunities for participation or advancement adversely affected.
